Allergies and special dietary requirements are taken very seriously at Curzon. We work closely with our suppliers to ensure that our information is correct and customers with allergies feel reassured that we will look after their needs properly. Our allergen information is frequently updated so please check each time you visit to ensure that you have the most up to date information. Where a product may contain traces of an allergen due to the processes used by the suppliers of our ingredients or presence of an allergen in our kitchens and storage areas, this is indicated with MAY. Where an allergen is present, this is indicated with X. Please ask to speak with a manager for more information. Always make a member of staff aware if you have an allergy or intolernace.

Allergies and special dietary requirements are taken very seriously at Curzon. We work closely with our suppliers to ensure that our information is correct and customers with allergies feel reassured that we will look after their needs properly. Our allergen information is frequently updated so please check each time you visit to ensure that you have the most up to date information. Where a product may contain traces of an allergen due to the processes used by the suppliers of our ingredients or presence of an allergen in our kitchens and storage areas, this is indicated with MAY. Where an allergen is present, this is indicated with X. Please ask to speak with a manager for more information. Always make a member of staff aware if you have an allergy or intolernace.

Allergies and special dietary requirements are taken very seriously at Curzon. We work closely with our suppliers to ensure that our information is correct and customers with allergies feel reassured that we will look after their needs properly. Our allergen information is frequently updated so please check each time you visit to ensure that you have the most up to date information. Where a product may contain traces of an allergen due to the processes used by the suppliers of our ingredients or presence of an allergen in our kitchens and storage areas, this is indicated with MAY. Where an allergen is present, this is indicated with X. Please ask to speak with a manager for more information. Always make a member of staff aware if you have an allergy or intolernace.

Allergies and special dietary requirements are taken very seriously at Curzon. We work closely with our suppliers to ensure that our information is correct and customers with allergies feel reassured that we will look after their needs properly. Our allergen information is frequently updated so please check each time you visit to ensure that you have the most up to date information. Where a product may contain traces of an allergen due to the processes used by the suppliers of our ingredients or presence of an allergen in our kitchens and storage areas, this is indicated with MAY. Where an allergen is present, this is indicated with X. Please ask to speak with a manager for more information. Always make a member of staff aware if you have an allergy or intolernace.
